Experience

Freelance – Full Stack Web Developer

JUL 2024 – APR 2025

Developed and sold a custom web-based equipment orders management system for a multi-branch clinic. Collaborated closely with the clinic's branch directors and Equipment & Logistics Procurement Manager to tailor the system to their operational needs, and worked with the CTO to successfully deploy it on the clinic's internal servers.

Natali Private Ambulance Service, Israel – Paramedic

AUG 2024 – APR 2025

Leading emergency response teams in high-pressure situations, ensuring cohesive patient care while adeptly managing independent responsibilities in a fast-paced ambulance environment.

Terem Urgent Care, Israel – Paramedic

MAY 2017 – APR 2025

Provided emergency medical services in a clinic setting. Balances independent decision-making with effective collaboration in a clinic setting, delivering emergency medical services as a team member and sole responder.

Terem Urgent Care, Israel – Nursing Staff Manager, Ma'ale Adumim Branch

AUG 2019 – AUG 2020

Managed nursing staff, pharmaceuticals, and clinic inventory, leading both collaborative and independent efforts to maintain optimal clinic operations, particularly during the challenges of the COVID-19 pandemic.

Education

John Bryce Academy, Israel – Full Stack Web Development Course

MAY 2023 – APR 2024

Completed an intensive program focused on building full-stack web applications with hands-on experience across all stages of development, including developing dynamic, user-centric applications through robust full-stack architectures.

Ariel University, Israel – Paramedic Training (EMT-P)

SEP 2015 – MAY 2017

Completed comprehensive training in emergency medical care, mastering advanced life support techniques, trauma response, and patient stabilization in high-pressure situations.
